

Blinder led 4

Product Code: SG BLINDER4L

Blinder COB led 4x100W

Description

The cutting-edge technology allows us to replace the traditional Blinder incandescent lamp stage light, with a brand new stage light sourced by a special integrated led COB, which emulates the typical blinding effect of the leading stage lights in the live entertainment business. As per our tradition, Sagitter introduces 2 different sizes, Blinder led 2 and Blinder led 4. Both the versions allow the "single pixel" control system or the "Full pixel" control system, nowadays standard option in the entertainment business. The special reflector generates a smooth light diffusion even wider.

Technical Specifications

Light source

- 4X100W COB led
- LED lifespan: >50.000h
- LED refresh frequency: >400Hz flicker free

Optic system

- Beam angle: 45°
- Luminous flux: 840lux @ 4mt

Color system

- LED source COB warm white 3200K

Effects

- High precision linear Dimmer 0-100%
- Electronic strobe: 1-20 flashes/s with adjustable speed
- Singol led control

Control and programming

- 3 DMX configurations available: 1/2/4/8 channels
- Protocol USITT DMX 512
- Master / Slave mode
- Sound mode with adjustable mic sensitivity
- Automatic mode with 3 different programs selectable from the display with independent adjustment of the speed and strobe

Structure and cabinet

- Metal housing black color
- Red LED graphic display
- Mounting points: double bracket for suspension or floor support
- 3-poles XLR in/out connection
- IP rating: IP 20

Power supply

- Input Voltage: AC~100-240V 50/60Hz
- Switching power supply unit
- Power consumption 450W
- Power IN/OUT connection with Powecon
- Power supply cable 1,5 mt included
- Max 3 pcs linkable @240V

Weight and dimensions

- Net weight: 7,8kg
- Dimensions: 405x120x495 mm
